

# Doing More with Less: The Nursing Curriculum in the New Economy

WI League for Nursing Fall Conference

Keynote: **Beverly Malone, RN, PhD, FAAN**  
CEO, National League for Nursing

**Friday November 5, 2010**

Richard T. Anderson Center at  
Waukesha Co. Technical College  
800 W. Main St. Pewaukee, WI

## **Call for Abstracts**

Abstracts are invited for papers and/or posters describing research to improve preparation of the nursing workforce in the new economy. This may include the use of evidence in teaching, and/or ways of addressing doing more with less in nursing courses or practice settings. Individual presentations will be 15 minutes in length.

Priority will be given to innovative ideas that are evidence-based. Selected presenters will have ½ their conference fee waived (first presenter if joint authored).

### *Format for Abstract*

#### **Title of Presentation:**

**Presenter(s)** (Please complete for all presenters and put \* before corresponding author):

Name:	Credentials:
Position:	Institution:
